Ethics expert for National Board of Health and Welfare (Socialstyrelsen) regarding newborn screening for cystic fibrosis, 2020-2021.

Founding member of UTRI - Umeå Transformation Research Initiative, started 2020.

Educated philosophical counselor at Norsk selskap for filosofisk praksis, diploma 2020.

Completed ReaL - Research and Leadership program, step 2 – Established researcher, Umeå university 2019-2020.

Appointed "Meriterad lärare" [Accomplished teacher] by Umeå university 2018-06-04.

Teacher representative on advisory department board ("institutionsstyrelse") 2014-2019.

Member of the Regional Ethical Review Board in Umeå, 2017.

Various public engagements and board memberships in societies and organizations for the promotion of philosophy in society (separate CV available upon request)

TEACHING, SUPERVISION, ADMINISTRATION

Directorship

B.A. program in Philosophy and Society, Umeå University, since fall 2016.

Post-doc supervision

Björn Lundgren. Within research project AI, Democracy and Self-determination. 2020-2021.

PhD student supervision

Main supervisor: Sebastian Östlund. Objective and subjective wellbeing within the capability approach. Umeå university. 2024.

Assistant supervisor: Tulska Jansson. Energy and justice: An ethical analysis of Swedish energy politics, based on the capability approach. Linköping University. Currently paused.

Pedagogical and didactic training

• University Didactics for Philosophy ["Doktorandkurs i filosofiämnets universitetsdidaktik"], graduate course, 7.5 ECTS, completed Jan 25th, 2005.

- Research Supervision in Practice ["Forskarhandledning i praktiken"], professional development course for lecturers, 2 weeks full time study, completed 2013.

Contributions to pedagogical and didactic development

- Pedagogical seminar for the arts and humanities faculty on seminar pedagogy, March 2024.
- Lecture at Mötesplats Humaniora, Umeå University, theme Extern samverkan inom utbildning, February 2023.

Graduate Teaching

- Faculty at Summer School: Ethics of Influence, OZSW, TU Delft, July 2024.
- Co-organizer of WASP-HS Summer School for doctoral students, August 2021.
- Lecturer at PhD-course in Public Health Ethics, 14-16 November 2012, Department of Public Health, University of Copenhagen
- Lecture on conceptual analysis at UK graduate student event in Manchester, February 2010.
- Various individual study courses for my own PhD students

Teaching at Umeå University (fall 2012-)

- The Art of Philosophical Conversation (advanced course) (incl. course creation/design)
- Ethics
- Philosophy and Society
- Environment, Ethics and Politics (incl. course creation/design)
- The Ethics of Climate Change (advanced course) (incl. course creation/design)
- Philosophy of Education (advanced course) (incl. course creation/design)
- Liberalism and Paternalism (advanced course) (incl. course creation/design)
- Philosophical Essay - various levels up to masters (incl. course development)
- The Political Philosophy of Robert Nozick (individual study course)
- The Concept of Liberty in Modern Political Philosophy (individual study course)
- Larry Temkin's Rethinking the Good (graduate level)
- Representative Democracy, Knowledge and Competence, in Mill and Today (graduate level individual study course)
- Derek Parfit's Reasons and Persons (graduate level individual study course)
- Supervision (completed): 8 second semester essays, 15 B.A. theses, 2 master thesis.
- Individual lectures on AI Ethics, AI and Transparency, Paternalism, Democracy, Ethics, Research Ethics, Political Philosophy, Human Dignity, Future Ethics, Priority-setting in health care, Sustainability, Nudging. Delivered to students of philosophy, education, medicine, life science, and business.

Teaching at Uppsala University (fall 2010)

- Anti-paternalism (advanced course) (incl. course creation/design)
- Ethics
- Value Theory and Metaphysics
- Supervision of bachelor thesis (on reasons to be moral)

Teaching at Örebro University (2009-2010)

- Technology and Ethics

Teaching at Royal Institute of Technology (2003-2009)

- Advanced course in Ethics (incl. course creation/design)
- Technology and Ethics
- Management Ethics
- Engineering Ethics (1 week module)
- Ethics for Computer Engineers (incl. course creation/design) (1 week module)
- Supervision, Master theses: Sole supervisor of three theses (on autonomy, ownership, doping in sports), joint supervision of one thesis (on reward schemes for management), assistant supervision of one thesis (on precautionary principle).
- Individual lectures on Libertarian Paternalism, Environmental ethics, Marxism, Utilitarianism, Ethics of Administration, Autonomy and bio banks, Informed consent, Autonomy and paternalism, Ethics and the market, Research Ethics.
